YOUR GIFT MAKES A DIFFERENCE

UNITED WAY OF RHODE ISLAND COMMUNITY IMPACT FUND

The Community Impact Fund is how we build strong families and a stronger Rhode Island—starting with our ALICE neighbors (Asset Limited, Income Constrained, Employed). These are the hardworking individuals and families who keep our state running, yet are priced out of basic stability by the high cost of living. Your pledge ensures they can access essentials like housing, food, healthcare, childcare, transportation, and technology. This fund goes further, investing in workforce opportunities, and reliable safety nets like the 211 helpline, the Empowerment Center, VITA tax assistance, and the Aging & Disability Resource Center (ADRC).

When you give, you aren't just meeting today's needs—you're building a strong Rhode Island.

WOMEN UNITED

Join a powerful network of women committed to building a stronger Rhode Island. Together, through philanthropy, volunteerism, and community leadership, you'll help ensure children and families have the support and opportunities they need to thrive. Members commit an annual gift of \$1,000+ to the Community Impact Fund.

EMERGING LEADERS

Join a network of early- to mid-career professionals creating meaningful change across Rhode Island. With an annual gift of \$250–\$750 to the Community Impact Fund, you'll gain access to curated events, volunteer opportunities, and professional development while growing your impact and leadership alongside like-minded peers.

GOOD NEIGHBOR ENERGY FUND (GNEF)

Since 1989 GNEF has supported households in Rhode Island who are not eligible for state or federal aid when they face a temporary energy crisis and cannot meet their energy expenses like their electric or gas bill.

LEADERS UNITED

Be among the many Rhode Islanders who give at least \$1,000 annually to United Way's Community Impact Fund and leverage your gift to address disparities. With other Leaders United members, you can come together to learn about the challenges in our community and take action in the solutions.

ALLIANCE FOR NONPROFIT IMPACT

The Alliance connects Rhode Island nonprofits with resources, training, and support, with a focus on organizations led by people of color and small community-based nonprofits. Together, members build stronger organizations, share knowledge, and advance equitable outcomes across the state.

GEORGE NEE LABOR SOLIDARITY FUND

This labor fund strengthens Rhode Island's labor community through support for union families, grants to labor-affiliated nonprofits, and investments that connect households to vital resources.

MYFUND

MyFund (a donor-advised fund) consolidates your giving into one easy-to-access account. Give to the Community Impact Fund, your alma mater, faith organizations, and all of your favorite charities. Make gifts by payroll deduction, credit card, check, securities, or monthly billing. MyFund allows you to give to any 501(c)(3) in the country with a combined annual gift of at least \$1,000.

This pledge represents a contribution for which no goods or services have been received. Gifts made to United Way are tax deductible within the limits of the current law. Any cash contribution received by 12/31 of \$250 or more will receive a tax letter from United Way, per IRS regulations. Letters will be mailed by 1/31. If you have contributed via payroll deduction, you will not receive a tax letter as your pay stub will serve as tax documentation.
